DELIVERING SUSTAINABLE RESULTS

Debbaut.Solutions has successfully implemented strategic programs with Family Office firms, SMBs, VC / PE funds, Fortune 500 companies.

ABOUT

Debbaut.Solutions is a partnership of people with deep functional expertise and C-suite background.

Many have founded and run their own companies, so they know what challenges you are facing “in the real world” and what it takes to overcome them.

Working in teams of 2-5 per engagement, we implement the right solutions in difficult conditions such as incident & crisis management, operational restructuring, recovery of failing projects.

INDUSTRIES

We covered diverse industries, but become specialists in:

- plant building & commissioning
- fintech & banking software
- IT risks & cybersecurity
- medical & pharma operations
- B2C, B2B professional services
- traditional & digital marketing
- CPG, FMCG production & retail
